

Kapikog Lake Route Map

Our nearest town, MacTier, is on District Road 11 which runs north from Highway 69 a short distance from Highway 400. Point A on the map indicates the junction of Hwy 69 and District Road 11.

Follow D.R.11 through Mactier. Turn at the T-intersection (Point B) signed [Healey Lake Road]. It is 6.1km from Point A to Point B.

Continue 5.7km and turn at the T-intersection (Point C) signed [Kapikog Lake Road]. This junction is a short distance beyond the fenced Waste Transfer Site on the south side of the road.

Continue 1.5km on Kapikog Lake Road to the second fork (Kapikog North Road) or 2.9km and fork left at the [H&H Restaurant and Resort] sign for Kapikog South Road.

The roads are somewhat twisty and some are gravelled, therefore take it easy and do keep right on the hills/curves.
